Colonel

In addition to these there are an unknown number of training efforts that are so informal and such spot jobs that we're likely to hear of them only by chance.

For example [ ] [ ] (#2: CIA LIBRARIAN) has just started teaching Hungarian nights on his own time for persons in his own office (OCS).

But this is something

— OVER —

and that we cannot
help in except thru
availability of language
lab tapes. He knows
the lab is soon due.
